

Introducing...Adelphia Video OnDemand!

A virtual video library with great entertainment – just waiting for you when *you're* ready to watch!

With Video OnDemand, you can select movies, events and programs at your command; pause, fast forward or rewind your selection with your cable remote.

- If you've got Adelphia Digital Cable, you also have Video OnDemand
- It's already there – in your digital receiver – waiting for you
- Access tons of programs at no additional charge – like Cable Favorites*
- Simply press the GUIDE button on your remote control and pick whatever fits your mood

It's Easy to Access Adelphia Video OnDemand!

Step #1

Press the GUIDE button on your remote control to access the Adelphia OnDemand Main Menu. There are many categories to choose from – Movies OnDemand, Events OnDemand, Cable Favorites and Lifestyles & Learning. Keep scrolling down for more categories to choose from (use your arrow keys). For example, look for Lifestyles & Learning. Now press SELECT on your remote.

Step #2

You will see several choices under Lifestyles & Learning. Let's select "About Classic Cars" as our program. Now to the right of the OnDemand screen you will see details about the program you just selected. Now press the SELECT button on your remote control.

Step #3

After you've pressed the SELECT button, you will get a "Confirmation" screen that pops up to thank you and let you know your program will now begin. The confirmation screen will look like this. Enjoy!
