

It's Easy to Access Adelphia Video OnDemand!

Step #1

Press your GUIDE button on your remote control to access the Adelphia OnDemand Main Menu. There's many categories to choose from like Movies OnDemand, Events OnDemand, Cable Favorites and Lifestyle & Learning. Keep scrolling down for more categories to choose from (use your arrow keys). For example, look for Lifestyle & Learning. Now press SELECT on your remote.

Step #2

You will see a lot of choices under Lifestyle & Learning. Let's select "About Classic Cars" as our program. Now to the right of the OnDemand screen you will see details about the program you just selected. Now press the **B** button on your remote control.

Step #3

After you've pressed the **B** button, you will get a "Confirmation" screen that pops up to thank you and let you know your program will now begin. The confirmation screen will look like this. Enjoy!

Adelphia

Introducing...Adelphia Video OnDemand!

A virtual video library with great entertainment – just waiting for you when *you're* ready to watch!

With Video OnDemand, you can select movies, events and programs at your command; pause, fast forward or rewind your selection with your cable remote.

- If you've got Adelphia Digital Cable, you also have Video OnDemand
- It's already there – in your digital receiver – waiting for you
- Access tons of programs at no additional charge – like Cable Favorites*
- Simply press the GUIDE button on your remote control and pick whatever fits your mood

We've provided simple instructions on how to access Video OnDemand on the reverse side. Keep them handy – and enjoy!
