

Satellite. Your fair-weather friend.

**You want clear reception no matter what the weather.
You want Comcast Digital Cable.**

Tired of losing your reception every time it's windy or rainy? Then trade in your dish for Comcast Digital Cable.

You'll get up to 270 channels and 45 commercial-free music channels. Dozens of premium channels. You'll always find something great to watch with the interactive, on-screen program guide. Plus, you'll get the live concerts and events that you simply won't see anywhere else.

And, you'll get to watch them no matter what the weather is doing outside!

**You'll get all this from Comcast,
plus \$400 if you trade in your dish today!**

We'll give you \$400 worth of Comcast Digital Cable for trading in your satellite dish now! So get rid of that ugly dish and turn your back on fair-weather reception.

**Call Today!
432-9277 (Lee) or 793-3577 (Collier)**

Comcast

Clearly the Best Choice.
